

Koalas - Tuesday - 18 Jul 2017

Created on: 18/07/2017 By: Keeley Mason

Koalas Tuesday July 18th with Keeley, Georgia and Ellie!

It was a wonderful day to play outside today in the sunshine!

We had lots of fun with our friends!

On the see saw...playing with Hula Hoops, pushing our friends on the swing.

Making many cakes in the sandpit!!

...even feeding some pet dinosaurs!

Callan, Liam, Jackson and Oska were busy filling their trucks with wood and transporting them to the new cubby house to 'make a fire!'

Lots of other games including pushing, riding and pulling friends!

Talking through tubes!

...

and climbing!

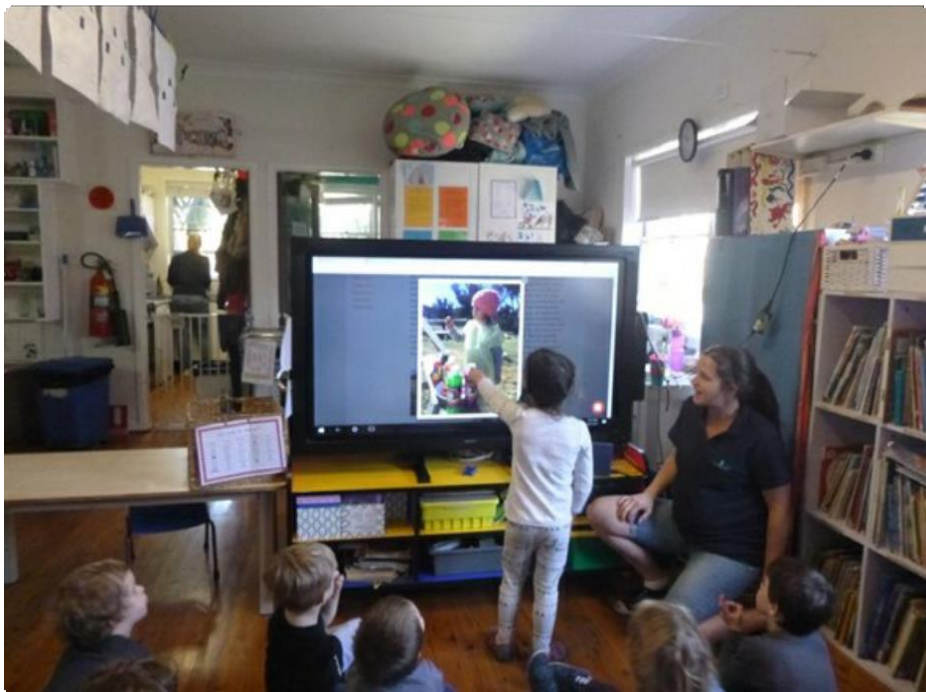

Inside we had some fun news today!

Harvey showed us book "We're Going on a Bear Hunt" and we read it to the class -

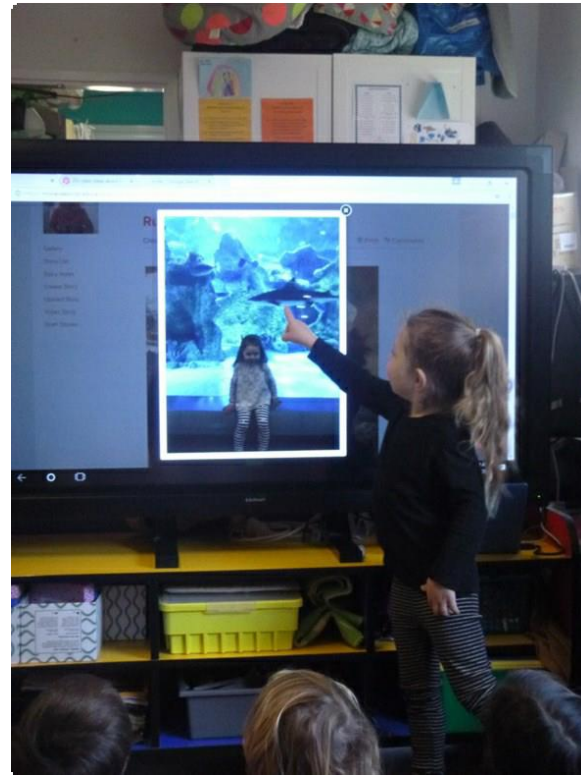

most of us know the story quite well!

Harvey then showed us pictures on Educa because he went to see the LIVE SHOW!
He showed us the tickets and told us who each one was for...he liked the part where
"some people were squirting at everybody!"

Miki was giggling and very excited to show her friends her photos from the farm - she
told us that they stayed in the "caravan, even Chili came!" She told us it was very "cold"
there and pointed out all the "ice" on the ground!

Imogen had some Frozen news! She had been to see "Frozen on Ice...there is the stage" she pointed out..."and Kristof and Anna!" She showed us her bag of goodies telling us about the Anna doll "that's what Abi got and that's what I wear to the show" (showing us the necklace and pointing to her picture)

Ruby was also keen to show us photos of her visit to the Aquarium! Showing us where the "penguins" were and the "sharks!" It instigated some good questions from the Koalas class...like 'why is it dark in there?'
It's great when news time evokes questions from peers! Thanks Ruby!

As a follow up from Harvey's news we set up a 'bear hunt' in the classroom! The children had to go through the river, the woods and the snow storm..

...to find the bear in it's cave!!

Yesterday we did some 'science' and froze some water to make our own frozen wonderland given all the interest in ice, cold and snow lately! Today we got everything

out of the freezer and added some shaving cream (SNOW!) to the mix! The children loved the feel of it all!

"It's freezing!" noted **Callan**.

"Squishy" **Miki**

"COLD!" **Emily**

"ooooo! hehehe COLD!!" **Iluka**

We have also been talking about feelings a lot at kindy so today the class were invited to create some faces in play dough!
Hudson came to show me his when he was finished "it's me" he said...feeling.."scared!" he said, though laughing while he did!

Miki's news inspired us to do some easel painting! Thanks Miki....good idea, we all love some easel painting!

India painted her 'duckie!'

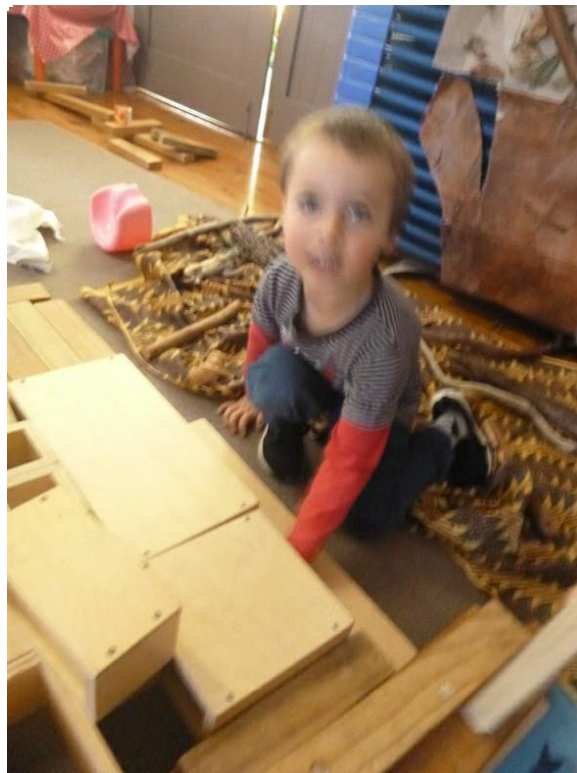

We had some 'aquarium' sea creatures and Arctic creatures to play with as well..which Reef and Parker enjoyed!

Ruby and Jack Strom played together in home corner with the babies and food..

While Callan, Jackson and Oska were busy building on the mat..."like our house Keeley?"

Oska asked...adding "I sleep in there" putting his tiger in the block!

Imogen reminded me that we never finished our discussion about the frozen water

from yesterday!

SO we got out the yellow tray that was in the fridge..and the blue tray that was on the bench and felt the difference in them.. one was certainly colder! But not as cold as the ice we'd just been playing with!

Thanks for a cool day Koalas! See you all again next time! x
